RE: TRA Request Dated October 2, 2000

Dear Mr. Waddell:

This is in response to your letter dated October 2, 2000 requesting certain information on termination charges by October 12, 2000. As you might expect given the very broad scope of these data requests, attempting to respond to these requests is a difficult, labor-intensive, and time-consuming process. At this point, however, we hope to be able to respond early next week. Obviously, we will provide our responses as soon as possible.

Please contact me if you have any questions.

Yours truly,

*Paul Stinson*
